

Halo Solar Training Checklist

Recurring Trainings

- ☐ Illinois Shines Consumer Protections Training - Annual
- ☐ Safety Training
 - ☐ Forklift Training
 - ☐ Lift Training
 - ☐ Other?

Generic Training

- ☐ Hubspot Training
- ☐ Smartsheet Training
- ☐ Financial Literacy Training

Manufacturer Specific Training

ENPHASE

- ☐ IQ8 System and Technology - All
 - ☐ IQ8 Installer Certification Training – All
 - ☐ Enphase Solar PV Installation Certification Training – PM/Design
 - ☐ IQ8 Commercial Installation and Design Certification – PM/Design
 - ☐ Enphase Storage sizing and design – PM/Design
 - ☐ Enphase Energy System and IQ8 Sales Training – Sales
 - ☐ IQ8 Commercial Installation and Design Certification – PM/Design
 - ☐ IQ8 Commercial Installation and Design Certification – PM/Design

SOLAREEDGE

- ☐ SolarEdge Sales Training Path - Sales
 - ☐ SolarEdge Technical Training Path - PM/Design
 - ☐ Edge Academy
 - ☐ SolarEdge Fundamentals Training - All
 - ☐ SolarEdge Experts Training - PM/Design/ Possibly Sales
 - ☐ Up to 5 Power Optimizers: The New Design Rule for Commercial Installations - Design
 - ☐ Commercial S-Series Power Optimizers: Stringing, Mapping, and Beyond - PM/Design
 - ☐ Commercial Installer Training- NA Technical
 - ☐ Commercial Professional Training - NA Technical
 - ☐ Commercial O&M Training - NA Technical
 - ☐ Monitoring Platform - NA Technical
 - ☐ Advanced Monitoring Platform - NA Technical
 - ☐ Three Phase Inverter with Synergy Technology (120kW)
 - ☐ SolarEdge Designer - PM/Design
-

Miscellaneous Training

SPAN

- ☐ SPAN Installer Training - Required by Lead Project Manager at the least, but would be good for others to complete as well
- ☐ SPAN Sales Training - Sales/PM

REC

- ☐ REC Certified Solar Professional Program
